

FEEDBACK ANALYSED REPORT (2019-20)

Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design the questionnaire) (results and details be provided as web link) In the year 2019-20

The feedback for the academic session 2019-20, was received from the student of final semester by sharing feedback link to the student. The form contains 12(twelve) questions including questions on online classes which was introduced from this session during lockdown. Though feedback could not be received from some student due to poor internet connectivity in remote areas, from where a majority of our students come, but from the feedback, received, we can have an overall information about the institution. Majority of the students give positive response regarding the questions like if classes held regularly, how teacher prepare in the class etc.

Regarding online classes, the student except it positively and see for more such classes as teachers can be contacted at all times in this system.

56% of the students prefer online classes and see for more such classes in the next session.

Majority agree with the question that the college provide multiple opportunities to learn & grow.

Though most of the students attended online classes, 18% of the student could not attend it due to poor internet connectivity or lack of smart phone.

Regarding library majority of the students satisfied with the services of the library staff and the facilities they received from our library.

The feedback also reflects that the office staff is helpful and cooperative towards the students.

Majority of the students rated the college as very good.

The suggestions for further improvement of the colleges were very few and these were forwarded to the authority for consideration.
