

**FEEDBACK REPORT OF THE STUDENTS
DAKSHIN KAMRUP GIRLS' COLLEGE, MIRZA**

Students Feedback: Students feedback has been obtained from students and analysed. It is useful for the life of students. Students have expressed their satisfaction on coverage of courses, usefulness of internal test evaluation system and teaching student. It is learned that teachers mentoring system is working well and remedial classes are done properly. The teacher's attitude towards extracurricular activities is helpful in view of students. In the feedback, the teachers are cooperative and encouraging students. They adopt interactive methods in lesson work. They sometimes follow e-content for reference of the subjects. The students complete their project work properly.
